Situation in Ethiopia

- Ethiopia is one of the poorest countries on earth (LLDC)
- The Human Development Index 2013 shows Ethiopia on place 173 of 187 countries.
- Only 29,8 % of adults (over 15 years) are able to read and write (Press release UN Human development 2012).
- App. 50% of the teenagers in Ethiopia quit their primary school education. (Federal Foreign Office 2013)
- Only 5,3% start a major in university (2011).

Sustainable Aid

Three phases of KaJo e.V.

Scholarships

Increase
Chances

Better
Future

Our Godchildren

Kalkidane Tseyaye

- 9 years old
- 3 semester
- Mother is single parent and only earns about 40\$ a month in hard labor.

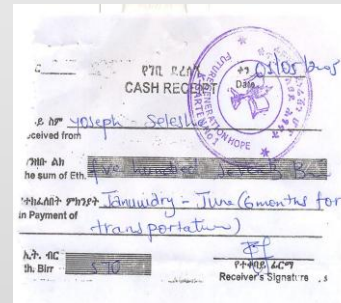

Josph Seleshe

- 5 years old
- Second year on the kindergarten
- He has one sister which is still going to the old school cause we didn't find a sponsor.
- Family has to move homes regally when the rent increases.

Scholarship with KaJo e.V.

- **Costs:** **Monthly 30\$**

- **We pay for:**
 - School fees
 - School uniforms
 - School materials
 - Transport to school
 - Tutors

Targets and Vision for 2013/14

- Theresa Dreher, Lisandra Ilisei and Dorothe Engl will travel to Addis Ababa, Ethiopia, with the mission to find new children in need.
- Target 2014: Sponsoring 10 further children
- We are looking for sustainable projects like constructing a new school in remote and isolated countryside with no access to a proper school.

Transparency & Efficiency

- KaJo e.V. is a very young association founded by motivated students.
- Donation will be used 100% for the funding of education in Addis Ababa, Ethiopia.
- We play with an open hand- Transparency is our most important value.

We appreciate your help and support!
